

Executive Coach Profile

Anthony Sork

Managing Director – Sork HC

Anthony Sork is the Managing Director of Sork HC, a Management Consultancy and Executive Coaching practice. He has over a decade of experience coaching and developing senior executives and high potential Talent across Australasia, the UK and the USA. He works both with individuals and leadership teams to support them in achieving sustainable high performance through their behavioural impact.

Anthony is a leadership behaviour specialist who supports his clients to build awareness of their behavioural impact and guides them to achieve constructive leadership styles which in turn build engaging climates and high performance relationships with all key stakeholders.

Anthony's business experience includes senior executive positions in Australia and the UK and he has owned his own businesses for over 10 years. He has worked with senior executives across a broad range of industries including Finance, Education, Pharmaceutical, State and Local Government, Media, Technology, Transportation, Construction, Health & Medical, Entertainment and Telecommunications.

Anthony has supported his clients to achieve several awards including Best Employer and Employer of Choice. He has also received two Australian Patents for his research and development in the field of social psychology for Employee Attachment & Engagement.

Anthony is a highly demanded Speaker and Writer on Leadership and Human Capital issues. Anthony works with and supports various not-for-profit organisations and charities. A self confessed technology & gadget junkie Anthony is a leader in distance and remote coaching support.

Anthony is the proud father of two children and loving husband to his wife. They live in Sydney's Eastern suburbs where he is a keen basketballer, skiing and cycling enthusiast who tries to defy his age.

Qualifications

Anthony holds a Bachelor degree with majors in Psychology, Sociology and Anthropology. He has further qualifications in Adult Education, Training & Assessment Systems and Human Resources. Anthony has commenced his Phd studies in Organisational Psychology.

Diagnostics

LSI 1 & 2, GSI (Human Synergetics) | MBTI & JTI | DISC | ILS & OCS (Hay Group) | EAI, AEI, EDI (Sork HC)

"Dealing with Anthony has always been a pleasure. He is a committed executive coach who shows empathy, interest and integrity in his approach to both the sponsor organisation and the person(s) who he is coaching. I've enjoyed my time with Anthony, learnt much from his perspective and the LSI tool and I look forward to working with him in the future." (Senior Executive - Investment Bank)

"I've been through many leadership development courses and Anthony is no doubt the best expert in this field. His approach was highly practical and applicable to the collaboration of our business as well as personally. He is engaging, personable and inspiring to all, from CEO to potential leaders. Anthony is professional, passionate and precise with his advice. I highly recommend Anthony to any business seeking to strengthen motivation and improve leadership skills." (Financial Controller – Mobile Technology Company)

"I worked with Anthony over the last 2 years and it was amazing how much his fresh, innovative coaching helped me in my leadership role, but also as a private person. Anthony managed to apply his enormous experience and sound advice ... for every situation we discussed. I would highly recommend Anthony to any individual who wants to improve, and to any organisation who cares about their leaders and is happy to invest into their future." (Chief Technology Officer – Technology Company USA)
